May 2010

Request to Reallocate FY 2010 Commission Funding

Dr. Ashley and I met with Paula Brown, David Tanner (OPB) and Scott Frederking (DCH) on 03 May 2010 to discuss the Commission's request to reallocate approximately \$2.6M of the Commission's FY 2010 budget to stakeholders.

That meeting resulted in the following:

1. During FY2010, it is projected the Super Speeder Law will collect approximately \$14M to offset the \$23M provided to the Commission;
2. For FY2011, revenue projections from Super Speeder Law will meet or exceed the \$23M planned for the Commission's FY2011 allocation;
3. The Commission's request for redirection/reallocation of approximately \$2.6M from the FY2010 budget to stakeholders was not granted; and,
4. All FY2010 Trauma Commission contracts, grants and other procurements currently in process or already approved will be fully funded.

Approximately \$22.3M (88.44%) of the Trauma Commission's FY2010 budget will be distributed as planned.

Approximately \$2,66M (11.56%) of the Trauma Commission's FY2010 budget will be returned to the General Fund.

A RESOLUTION

Proposing an amendment to the Constitution so as to impose an annual \$10.00 trauma charge on certain passenger motor vehicle registrations in this state for the purpose of funding trauma care; to provide for a trauma trust fund; to provide for a definition; to provide for procedures; to provide for exceptions; to provide that such funds shall not be subject to lapse and certain other restrictions; to provide for related matters; to provide for the submission of this amendment for ratification or rejection; and for other purposes.

BE IT RESOLVED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Article III, Section IX, Paragraph VI of the Constitution is amended by adding a new subparagraph to read as follows:

"(o)(1) As used in this subparagraph, the term 'passenger vehicle' means every motor vehicle designed to carry ten or fewer passengers and that is used for the transportation of persons and shall include pickup trucks, motorcycles, sport utility vehicles, and passenger vans.

(2) There shall be imposed an annual \$10.00 trauma charge on each passenger vehicle, as defined in this subparagraph, registered in this state. (3) The trauma charge under this subparagraph shall not apply to vehicles owned by the state or its departments, agencies, or authorities or by any political subdivision of the state.

(4) Proceeds of the trauma charge under this subparagraph shall be deposited on a monthly basis in a trauma trust fund. The General Assembly shall provide for the operation of such trust fund and shall specify the trauma care purposes for which such funds are to be expended.

(5) Revenues deposited into the trauma trust fund shall not lapse as otherwise required by Article III, Section IX, Paragraph IV(c) and shall not be subject to the limitations of subparagraph (a) of this Paragraph or of Article VII, Section III, Paragraph II."
