9.2 Vote Required for Determinations. All determinations under Section 9.1 shall be made by the affirmative vote of a majority of Directors present at a meeting duly called at which a quorum is present, unless otherwise expressly provided in these Bylaws or by direction of the donor as a condition of the gift.

9.3 Distribution of Principal. Determinations may be made to distribute capital from funds given without directions as to principal or income, as well as pursuant to directions expressly permitting use of principal; but the Board of Directors shall inform the trustee, custodian or agent having custody of the funds of the Corporation as far in advance as the Board of Directors deems practicable in order to permit the trustee, custodian or agent to adjust its investment policies accordingly, and may, upon advice from the trustee, custodian or agent as to how the desired distribution and any necessary liquidation of investment can be accomplished most economically, adjust its directions for distributions so far as it deems practicable.

9.4 Determination of Effective Agencies and Means for Carrying Out the Charitable Purposes of the Corporation. The Board of Directors shall gather and analyze facts and conduct such investigation and research as from time to time it deems necessary or desirable in order to determine the most effective agencies and means for carrying out the charitable purposes and functions of the Corporation and may direct disbursements for such fact gathering and analysis, investigation, and research from funds given for such purposes or from funds given without designation as to purpose.

9.5 Furtherance of Charitable Purposes. In furtherance of the charitable purposes and functions of the Corporation, and subject to the provisions of Section 501(c)(3), the Board of Directors may direct distributions to such persons, organizations, governments or governmental

agencies as in the opinion of the Board of Directors can best carry out such purposes and functions or help create new qualified charitable organizations to carry out such purposes and functions.

ARTICLE 10

Indemnification and Insurance

10.1 **Indemnification.** In the event that any person who was or is a party to or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, seeks indemnification from the Corporation against expenses, including attorneys' fees (and in the case of actions other than those by or in the right of the Corporation, judgments, fines and amounts paid in settlement), reasonably incurred by such person in connection with such action, suit or proceeding by reason of the fact that such person is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee, trustee or agent of another Corporation, domestic or foreign, non-profit or for profit, partnership, joint venture, trust, employee benefit plan or other entity, then, unless such indemnification is ordered by a court, the Corporation shall determine, or cause to be determined, in the manner provided under the Georgia Nonprofit Corporation Code, O.C.G.A. Sections 14-3-850 et seq. (the "Act"), whether or not indemnification is proper under the circumstances because the person claiming such indemnification has met the applicable standards of conduct set forth in the Act; and, to the extent it is so determined that such indemnification is proper, the person claiming such indemnification shall be indemnified to the fullest extent now or hereafter permitted by Georgia law.
