AFY 2021 EMS Equipment Grant : Georgia Trauma Commission
410 Chickamauga Ave, Suite 332 Rossville, Georgia 30741

This grant can be used by the GRANTEE to purchase equipment that is on the required list for ambulance licensure by the Georgia State Office of EMS and Trauma within the Joint Policy Statement or the Commission approved list both in Attachment C. The purpose of the FY 2021 EMS Equipment Grant is to reimburse EMS Agencies for equipment purchased from the approved equipment lists found in Attachment C. This has been updated with the approved most recent equipment grant cycle.

Attachment D provided gives a list of EMS agencies and award amounts by Region. This list has been reviewed and confirmed by the Georgia Office of EMS and Trauma. If you see a

discrepancy in the amount of 911 ambulances for your agency, please let us know and we will make every effort to adjust that in future grant opportunities.

In an effort to be more efficient and make timely for reimbursements payments to our Grantees, the GTCNC strongly encourages the use of ACH. Our policy mirrors the State Accounting Office policy regarding ACH payments. Please contact us if there are any questions about ACH payments

We look forward to serving the EMS community with this grant award opportunity. If you have any questions, please feel free to contact the GTCNC office at 706-841-2800, as any of the office staff can assist.
